

President of the Active 20-30 Club of Redding #143

Written by Lucky

Monday, 04 July 2011 00:00

On June 25th 2011, Mr. Jesrani was installed as the President of The Active 20-30 Club of Redding. The Active 20-30 Club is a National Service Organization, with young professionals who serve the special needs of children in their local communities. As you have seen on other blog posts on this page, Mr. Jesrani and the 20-30 Club have work incredibly hard to improve the children living in the City of Redding through fundraising efforts, charitable contributions, and playground builds.

Mr. Jesrani looks forward to serving his community and leading the Redding 20-30 Club for the next year. If you would like to contribute to the causes that the 20-30 Club supports, please email Redding.2030@yahoo.com
